Re: Norwich Opportunity Area Youth Board Visit

Dear Parent,

On 21st and 22nd March, the Academy will be hosting a Department for Education (DfE) event involving the Norwich Opportunity Area Youth Board Visit. This event is personally supported by the MP for Norwich North, Chloe Smith, and Secretary of State for Education, Damian Hinds MP.

The event will involve approximately 30 students from schools in Norwich and will focus primarily on the success of the Academy, in particular, the extent to which it has advanced social mobility.

If your child is selected to be involved in the event, you will receive further details from Mr. D. Piercy, Vice Principal, in the forthcoming days.

Yours sincerely,

Mr. N. Houchen
Principal
