Re: Front Car Park

Dear Parent,

The Academy has recently installed a barrier at the front of the site, principally to improve security, but also to differentiate the safe passage of pupils and vehicles through different points of entrance and egress.

Unfortunately, the barrier has not assisted in alleviating congestion, which, in itself, is currently being exacerbated by the road widening scheme on the A127 and additional traffic on feeder roads. To ease congestion and traffic flow, the Academy will be trialling a system whereby the front car park will be closed *for entry* from 3.35 – 3.50 p.m. This will be effective from Monday 23rd January and reviewed at the end of this half term.

Thank you for your support in this matter.

Yours sincerely,
