**Re: Proposed Academy Building Development**

Dear Stakeholder,

In June 2015, the Academy was granted planning permission with regards to the demolition of the current DT Block and erection of a two storey Science and DT Block extending from the main part of the site. I have taken the liberty of providing the planning consent and plans on the Academy's website (under News and Correspondence).

The proposal represents a 'significant change request' which would result in an upgrade of the Academy's existing building and also additional capacity in terms of pupil numbers; as such, the Academy is required to enter into consultation.

The consultation will run for a period of **4 weeks** from **Monday 27<sup>th</sup> March – Monday 24<sup>th</sup> April**. Please forward all comments to [consultation@eastwood.southend.sch.uk](mailto:consultation@eastwood.southend.sch.uk).

Yours sincerely,
