**Re: Curriculum Model and Curriculum Pathways (Options)**

Dear Parent,

Following substantive changes to the Ofsted Inspection Framework, the Academy has recently reviewed its current curriculum model.

The outcome of this review is that, from **September 2023**, the Academy will follow a three-year Key Stage 3 (Year 7-9) and a two-year Key Stage 4 (Year 10-11) curriculum model. During the Summer Term, I will provide you with further information and update the [curriculum](#) page on the Academy website.

In terms of Curriculum Pathways (options), pupils currently in Year 8 will therefore choose their GCSE options in Year 9.

I wish to reassure you that the new curriculum model is broad, balanced and ambitious and will further enhance progress at both Key Stage 3 and Key Stage 4.

Yours sincerely,

Mr. N. Houchen  
Principal
