1.0 Introduction

The Pay Policy sets out the framework for making decisions on employees' pay.

The main objectives of the policy are to:

- Ensure that pay and staffing arrangements enable the current and future delivery of the curriculum and academy improvement plans.
- Support the recruitment and retention of high quality employees.
- Recognise and reward employees for their contribution to academy improvement.
- Ensure that pay decisions are made in a fair and transparent way.
- Ensure that budgetary funds are allocated appropriately.

2.0 Pay Ranges

The pay ranges for employees are included in the appendices.

3.0 Pay

3.1 Payroll Provider

The Trust uses ECC Payroll.

3.2 Pension

All regular salary payments and additional allowances/payments are pensionable.

NB: Full-time teachers in the Final Salary Pension Scheme cannot be members of the Teachers' Pension Scheme (TPS) for a second job (e.g. 1:1 tuition at another academy). They can, however, join the Local Government Pension Scheme (LGPS) for this secondary employment. This does not apply to members of the Career Average Scheme where all teaching work is pensionable under the Teachers' Pension Scheme.

The Trust will not promote staff through the grading systems or use other pay flexibilities to assist in securing an employee's improved pension entitlement on retirement. The Trust recognises that, were this to be done, the DfE and/or pension regulator, where appropriate, may use their powers to substitute a notional salary for calculation of pension.

3.3 Underpayments and Overpayments

Every effort will be made to make accurate salary (and other) payments on the due date, however, should an overpayment or underpayment occur, the Trust will seek to recover or refund the amount.

Employees are expected, and have a responsibility, to draw to the attention of the Trust, any overpayment or underpayment, as soon as possible.

In the case of overpayments, the employee will be notified of the full amount of the overpayment and agreement will be sought regarding a reasonable repayment schedule. In the absence of such an agreement, the Trust will determine a recovery schedule, usually through deductions not exceeding 5% of the employee's monthly gross pay.

Recovery of overpayments or a refund of underpayments will be pursued in the case of former employees.

3.4 Part-Time Staff

3.41 Teaching Staff

In accordance with STPCD, the 'pro rata principle' is applied i.e. the proportion of total remuneration¹ which corresponds to the number of hours that the teacher is employed in that capacity during the course of the academy's timetabled teaching week, as a proportion of the total number of hours in the academy's timetabled teaching week².

Part-time teachers will be expected to work a corresponding proportion of directed time and will receive a corresponding proportion of a full-time salary.

3.42 Support Staff

Refer to the pay ranges in the appendices. In the case of any other variations from what is stipulated, the 'pro rata principle' is applied i.e. the proportion of total remuneration which corresponds to the number of hours that the person is employed in that capacity during the course of the academy's working week (as determined by the role), as a proportion of the total number of hours in the academy's working week (as determined by the role).

¹Remuneration that would be payable to that person, if employed in the same post on a full-time basis.

²The aggregate period of time in the timetable during which pupils are normally taught.

3.5 Salary Safeguarding/Protection

The Trust will ensure appropriate salary protection/safeguarding for teachers in accordance with the STPCD and for support staff in accordance with the Redundancy and Reorganisation Procedure.

Employees in receipt of salary protection/safeguarding will be expected to undertake commensurate work.

3.6 Salary Sacrifice Schemes

The Trust operates a Salary Sacrifice Scheme in relation to Child Care Vouchers. Staff choosing to participate in the scheme will have their gross pay reduced according to the terms of the scheme, for the duration of their participation.

3.7 Performance Management and Performance-Related Pay

3.71 Budget

The amount of money allocated to implementing the Pay Policy will be determined during the compilation of the annual budget.

On an annual basis, the CEO will work with the Trust Finance Officer to produce a Pay Review Statement for each constituent academy – refer to Appendix F. The pay awards will be communicated to employees by the Principal of the constituent academy or other delegated person.

3.72 Pay Appeals Committee

The Trust has established a Pay Appeals Committee which has fully delegated powers to review an appeal regarding an employee's pay progression – refer to Appendix G and H.

3.73 Pay Progression – All Staff

For all staff (excluding the CEO and Principal(s), who are assessed under different policies), Performance Management (PM) Appraisal is conducted in accordance with the Performance Management (PM) Appraisal Policy (Staff).

Pay Progression³ is linked to an employee's PM Appraisal grade in the following way:

Grade 1: The employee will receive a minimum of a 3% increase and a maximum of a 5% increase.

Grade 2: The employee will receive a minimum of a 2% increase and a maximum of a 3% increase.

Grade 3 or Grade 4: The employee will receive a 1% increase.

Whether the maximum or minimum pay award is issued will be determined by the budgetary funds. If, for instance, a decision is taken to apply the minimum award, this will be applied at all levels.

Employees that have been absent for long periods e.g. through sickness or maternity leave, will be appraised in the same way as all employees and a decision made in line with the above. Where the employee has been absent for a significant period of their current PM Appraisal year, and received a pay increment during their last PM Appraisal cycle, it is unlikely that any pay award will be made.

Decisions regarding pay will be made in line with the following timescales:

Period	Activity
By 30 th September	PM Appraisal of all staff (excluding CEO and Principal(s))
By 31 st October	The CEO and Trust Finance Officer produce a Pay Review Statement for each constituent academy. The CEO determines pay progression in line with section 3.73.
By 31 st December	PM Appraisal of Principal(s) in line with section 3.73 and 3.76. PM appraisal of CEO in line with section 3.73 and 3.77.

³For all staff, pay progression increments include a minimum of a 1% inflationary rise that is applied to the scales in this policy. Staff who have reached the top of their pay scale, are not eligible for any further performance-related increment.

3.74 Pay Progression – Upper Pay Range (UPR)

Staff can apply to progress onto the UPR, or through the UPR, if they meet the following criteria:

- They have fully addressed all of the Teachers’ Standards.
- They have fully addressed all of the Threshold Standards.
- Their last three PM Appraisal grades are at least a grade 2.⁴

⁴Where an employee is not at the top of the Main Pay Range, their last two PM Appraisal grades must be a grade 1.

It is the responsibility of the employee to decide whether or not they wish to submit an application. The UPR is not an extension of the MPR and employees do not automatically move onto it or automatically move through it. To be eligible, the employee must meet the criteria above. In particular, they must be able to produce evidence (by 30th September) to support a case that they have fully addressed all of the Threshold Standards.⁵

⁵Where the UPR application is unsuccessful, the employee will still receive a minimum of a 1% inflationary rise that is applied to the UPR scale.

3.75 Pay Progression – Assistant and Vice Principals

For Assistant and Vice Principals that have reached the top of the scale on the relevant Leadership Pay Range⁶, the Trust may decide to grant a time-limited (one year) discretionary⁷ pay award of between 1-3% of their annual salary, in line with the following PM Appraisal grades.

Grade 1: The Assistant or Vice Principal will receive a minimum of a 2% increase and a maximum of a 3% increase.

Grade 2: The Assistant or Vice Principal will receive a minimum of a 1% increase and a maximum of a 1.5% increase.

Grade 3 or Grade 4: The Assistant or Vice Principal will receive no performance-related increase.

3.76 Pay Progression – Principal

Performance Management (PM) Appraisal is conducted in accordance with the Performance Management (PM) Appraisal Policy (Principal).

Pay Progression will be in line with section 3.73.

For Principals that have reached the top of the scale on the relevant Leadership Pay Range⁶, the Trust may decide to grant a time-limited (one year) discretionary⁷ pay award of up to 5% of their annual salary, in line with the following PM Appraisal grades.

Grade 1: The Principal will receive a minimum of a 3% increase and a maximum of a 5% increase.

Grade 2: The Principal will receive a minimum of a 2% increase and a maximum of a 3% increase.

Grade 3 or Grade 4: The Principal will receive no performance-related increase.

3.77 Pay Progression – CEO

Outside of the Performance Management (PM) Appraisal cycle, pay is determined by the following:

- The number of academies in the Trust.
- The nature and extent of the challenges in the academies in the Trust.

Performance Management (PM) Appraisal is conducted in accordance with the Performance Management (PM) Appraisal Policy (CEO).

Pay Progression will be in line with section 3.73. For CEOs that have reached the top of the scale, the Trust may decide to grant a time-limited (one year) discretionary⁷ pay award up to 10% of their annual salary, in line with the following PM Appraisal grades.

Grade 1: The CEO will receive a minimum of a 7% increase and a maximum of a 10% increase.

Grade 2: The CEO will receive a minimum of a 3% increase and a maximum of a 5% increase.

Grade 3 or Grade 4: The CEO will receive no performance-related increase.

⁶The range calculated is that in accordance with STPCD (refer to appendices).

⁷Discretionary pay falls under the category of a 'bonus'. It is paid as a single sum and is non-pensionable.
