1.0 Aims

The aims of the Trust's Recruitment Policy are as follows:

- To ensure that the safeguarding and welfare of children and young people occurs at each stage of the process, including compliancy with the statutory DfE guidance, [Keeping Children Safe in Education, September 2018](#)
- To ensure that the best possible staff are recruited on the basis of their merits, abilities and suitability for the position.
- To ensure that all applicants are considered equitably and consistently.
- To ensure that no applicant is treated unfairly on any grounds including race, colour, nationality, ethnic or national origin, religion or religious belief, sex or sexual orientation, marital status, disability or age.

2.0 Pre-recruitment

2.1 Advertisement

All posts will be advertised on the constituent academy's website and in some instances using certain publications e.g. *The Echo*, *TES*, and *Jobscene*.

The advertisement will include a statement about equality and safeguarding e.g.

'X Academy is committed to promoting equality and diversity in the workplace. Further, we are fully committed to safeguarding and the successful candidate will be expected to undertake the appropriate checks, including an Enhanced DBS and Barred List check'.

The advertisement will include a job description and person specification.

2.2 Application

A standard application form will be provided on the constituent academy's website.

CVs will **not** be accepted in place of a completed application form.

Incomplete applications will be returned to applicants (where the deadline has not passed).

Applicants should be aware that, providing false information is an offence and could result in the application being rejected, or, where the applicant is appointed, summary dismissal.

As part of the application process, applicants will be asked to complete an Equality and Diversity Monitoring Form. Completion of the form is voluntary and does not form part of the selection process.

2.3 Acknowledgement

Only shortlisted applicants will be notified of the outcome of their application.

2.4 Shortlisting

Shortlisting will take place as soon as possible after the closing date and involve the following:

- Assessing the application against the job description and person specification.
- Social media screening to ascertain whether a candidate demonstrates appropriate conduct, behaviour and suitability for employment in a school environment.

2.5 References

References will be taken up on all short-listed candidates, prior to interview.

All offers of employment will be subject to the receipt of a minimum of two satisfactory references, one of which must be the applicant's current or most recent employer, preferably from a senior person with appropriate authority, not just a colleague. If the applicant has previously worked with children but their current/most recent employment does/did not involve work with children, then the second referee should be from the employer with whom the applicant most recently worked with children.

Neither referee should be a relative or someone known to the applicant solely as a friend.

All referees will be asked whether they believe the applicant is suitable for the job for which they have applied and whether they have any reason to believe that the applicant is unsuitable to work with children.

If the referee is a current or previous employer, they will also be asked to confirm the following:

- The applicant's dates of employment, salary, job title/duties, reason for leaving, performance and disciplinary record.
- Whether the applicant has ever been the subject of disciplinary procedures involving issues related to the safety and welfare of children (including any in which the disciplinary sanction has expired).
- Whether any allegations or concerns have been raised about the applicant that relate to the safety and welfare of children or young people or behaviour towards children or young people.

The Trust will only accept references obtained directly from the referee and it will **not** rely on references or testimonials provided by the applicant or on open references or testimonials.

References will usually be in writing, unless there are exceptional circumstances when a telephone reference will be acceptable.

The Trust will compare all references with any information given on the application form. Any discrepancies or inconsistencies in the information, will be taken up with the applicant before any appointment is confirmed.

2.6 Informal Visits

In some cases, prospective applicants may have an opportunity to visit the constituent academy and/or to discuss the role in more detail, prior to an application being submitted.
