Dear Mr. Houchen

I was very pleased to see the school's provisional Key Stage 4 results for this summer. Everyone is aware of the changes to performance measures this year and the broader demands of Progress 8. It was very impressive how well and quickly your staff have adapted and taught children to the standards required.

These results come about through back-breaking work.

Congratulations to you and your colleagues for doing so well.

Very best wishes for the coming year.

*Yours sincerely
Tim Coulson*
