Re: Unnecessary Electronic Equipment

Dear Parent,

I would like to draw your attention to section 5.0, paragraph 12 of the Academy's Behaviour and Discipline Policy (below) in regard to mobile phones and other unnecessary electronic equipment.

*12. Mobile telephones and other unnecessary electronic equipment are not permitted. Such items will be confiscated and returned to the responsible adult in person in accordance with the **Education Act 2011**.*

Recently, a small number of pupils have been found to be in possession of a 'smart watch' with web enabled access and mobile phone functionality. Such items fall under section 5.0, paragraph 12 and will be confiscated in line with the above.

I would appreciate your continued support in managing this particular Academy rule.

Yours sincerely,
