Dear Parent,

Re: Year 7 Transition Evening – Monday 16th October 4.30 – 6.30 p.m.

The transition from primary to secondary school can be both exciting and challenging. From my perspective, I hope that your child has settled in well and is enjoying the experience and opportunities available.

In order to assess (early) if the transition has been successful, I would like to invite you to a Year 7 Transition Evening on Monday 16th October. Your child will receive an appointment time with their Tutor or Head of House and you will have the opportunity to discuss any issues for which you have questions or concerns.

As your child enters secondary education the issues concerned with the digital world become ever more apparent. The Academy has published a range of e-safety information on the website and will be operating an e-clinic on the evening to assist parents in keeping their child safe online.

There will also be an opportunity for you to complete an e-survey on the evening, to enable the Academy to assess its effectiveness at this early stage.

I look forward to seeing you.

Yours sincerely,
